Inaugural Session Report: MMS Batch 2026-28

The inaugural session for the incoming Master of Management Studies (MMS) Batch of 2026-28 was held successfully on 22 September, commencing at 8:30 AM in Room 401. The event aimed to formally welcome the new students and orient them towards their academic journey. Anchored wonderfully by Dr. Shivprasad Murugan, the ceremony was officially declared open by CEO Madhumita Patil Ma'am. This was followed by an encouraging welcome address from Dr. Shalini Sinha, Director of MMS, who set the context for the rewarding MBA journey ahead before the entire faculty group took the stage to give their welcoming speeches.

The session featured several notable addresses that provided students with a holistic view of management education and life skills. Pandit Sridatta Haldankar addressed the students on the importance of moving ahead in life with unwavering positivity and resilience. Following this, CEO Madhumita Patil Ma'am shared profound teachings on the value of sharing knowledge and fostering strong junior-senior mentorship bonds within the campus to help one another. Adding practical context to their academic expectations, Dr. CA Suhas Gharat delivered an engaging talk on the topic of how a day would look in the life of an MBA student. Dr. Balaji Sadawarte then read out an inspiring message sent by Shirish Dada Patil, motivating the students for their future endeavors.

Continuing the flow of insights, Dr. Nemlekar shared his wisdom by outlining 22 specific points for the students to internalize for personal and professional excellence. A major highlight of the event was the presence of Special Guest Mrs. Chawla, Head of HR at TCS. She graciously guided the students on steering their lives in a positive direction and focusing on continuous growth, while sharing valuable industry perspectives on carrying oneself forward in the corporate world.

The highly successful event was brought to a close with a heartfelt Vote of Thanks proposed by Dr. Kavita Kharde, who expressed gratitude to all the dignitaries on the dais, faculty members, and guests. Special acknowledgment was given to the senior student committees who played a pivotal role in planning, managing, and successfully inaugurating the whole session. The presence of various PGDM faculties from CIMR further graced the occasion, ensuring the inauguration was a well-carried-out and memorable start for the MMS 2026-28 batch.
